

# سجود السهو

عبارة عن سجدتين يسجدها المصلي لجبر الخلل الحاصل في صلاته من أجل السهو وأسبابه ثلاثة :

الرجوع : رسائل فقهية  
تأليف : ابن عثيمين

## Doubt (الشك)

It is the hesitation between the two which one took place and having doubt during prayer are two cases

Not sure which one then go with the one you are sure about which is less then complete prayer and then make forgetfulness prostration **before Taslim**

One of the two is sure about then go by the sure one then complete prayer and then make forgetfulness prostration **after Taslim**

## Omission (النقص)

### Compulsory (الأركان)

In opening Takbir no Prayer and if in anything else

If one reached to the place on the following unit. The unit one left is canceled and the next one takes it place. Then one complete prayer and make forgetfulness prostration **after Taslim**

If one dose not reach to the place of the following unit then one must go back to the missed compulsory act and complete it. Then complete the rest of prayer and make forgetfulness prostration **after Taslim**

### Essential (الواجبات)

If one forgets one of the duties

If one remembers before leaving the place of act of duty in prayer then do the act of duty and complete prayer. Nothing else need to done.

If one remembers after leaving the act of duty before reaching the next pillar then go back and complete it. At the completion of prayer preform forgetfulness prostration **after Taslim**

If one reaches the next pillar then does not go back and completes prayer then do forgetfulness prostration **before Taslim**

## Addition (الزيادة)

If one add an extra standing, or sitting, or bowing, or prostrating

Does not remember the addition until one completes prayer then one should complete forgetfulness prostration **after Taslim**

If one remembers during the addition then one should stop, leave the addition, and continue with prayer then make forgetfulness prostration **after Taslim**

If one does Taslim before prayer is complete

If one remembers after long time then one must repeat prayer

If one remembers after a short time like 2 to 3 minutes then one should complete prayer and perform forgetfulness prostration **after Taslim**
